- Awarded a Superior rating for the MSHSL solo and ensemble vocal performance at sections and state.
- Licensed Hobby Boiler Steam Engineer
- 1st place in several local talent shows which lead to a performance at Minnesota State Fair.

Paying it Forward

The PINKYSWEAR Foundation is an amazing organization that

helps families with children who are struggling with cancer. This organization also has strong ties my hometown as well, the PINKYSWEAR Foundation has partnered with KLN family brands of Perham to donate 5 million dollars over 5 years to this amazing organization.

XOXO Bags of Love Program:

I started this program 2 years ago to try to brighten hospital stays for children that were dealing with cancer and other diseases that required long hospital stays. The bags were filled with hard candies, puzzles, games, blankets, water bottles, and even a bag of quarters for the Vending Machines

Food Drive:

I held a food drive at my school to donate food to the PINKYSWEAR Pantry with the help of my school we got 500 pounds of food 250 pounds of food went to the PINKYSWEAR Pantry and the other 250 went to my local food pantry in Perham.

My Talent

I have been singing almost as long as I have been talking and when it came time for me to choose a talent song, I knew I wanted to sing "Don't Rain on My Parade" from the musical Funny Girl because the message of the song is that no matter what happens you always keep fighting and you don't let it stop you.

"This program has given me the skills to accomplish whatever I set my mind to. I want to utilize the program to demonstrate to other young women what the program stands for and what we can accomplish. I will apply my skills to promote my platform "The Pinky Swear Foundation" I am proud of the impact I've made through this organization, and I look forward to representing Minnesota as Miss Minnesota's Outstanding Teen. "
